

## Build Skills and Enhance Knowledge

Each LearnerPal subject area is designed to strengthen basic knowledge and understanding of the curriculum. Students demonstrate their understanding through online assessments and study modules derived from a vast database of content.

- Content aligned to Common Core Standards
- Audio and video explanations
- Interactive, media-rich content actively engages students
- Vocabulary skill building exercises
- Interactive flash cards
- Summary documents
- High-quality content for supplemental learning and credit recovery

LearnerPal is an easy-to-use, online content and assessment platform. Provides a convenient way for teachers to assess students and for students to keep track of their progress.

LearnerPal's Common Core aligned content was designed to help students learn and to easily understand the content specified within the Common Core standards. All courses have questions by category with full audio explanations, flash cards, random quizzes and much more. Proven to improve test scores!
